SUMMARY

Motivated Communication Engineering graduate with a strong interest in software development, web technologies, cybersecurity, and data science. Skilled in HTML, CSS, JavaScript, and Python, with practical experience developing web projects and programming applications. Passionate about continuous learning, problem-solving, and applying technology to real-world challenges. Currently building a professional portfolio and expanding expertise in software development, data analysis, and cybersecurity.

EDUCATION

federal university of technology owerri (FUTO)

Nigeria

Bachelor's Degree – Communication Engineering

PROJECTS

Personal Portfolio Website

- Designed and developed a personal portfolio website using HTML, CSS, and JavaScript.
- Created sections for professional profile, skills, projects, certificates, honors, and awards.
- Implemented navigation functionality using JavaScript.
- Hosted the portfolio using GitHub Pages.

JavaScript Calculator

- Developed an interactive calculator using HTML, CSS, and JavaScript.
- Implemented arithmetic and mathematical operations using JavaScript.
- Practiced DOM manipulation and event handling.

Python Password Generator

- Developed a Python-based password generator.
- Applied Python programming concepts including functions, loops, strings, and randomization.
- Designed the application to generate strong and customizable passwords.

Python Programming Projects

- Developed various Python programs while studying programming fundamentals.
- Practiced functions, classes, inheritance, exception handling, generators, modules, file handling, and object-oriented programming.

TECHNICAL SKILLS

Web Development: HTML5, CSS3, JavaScript

Programming: Python, JavaScript

Data Science: Python, data analysis fundamentals

Cybersecurity: Cybersecurity fundamentals and security concepts

Version Control: Git, GitHub

Responsive Web Design

Problem Solving

Object-Oriented Programming

Basic Database & Data Concepts

CERTIFICATIONS

html essentials– cisco networking academy, 2026

cybersecurity certificate– cisco networking academy/skillupimo, 2024

css essentials– cisco networking academy, 2026

data science- cisco networking academy, 2026

javascript essential- cisco networking academy , 2026

python essential- cisco networking academy, 2026

B. eng communication engineering- federal university of technology owerri, 2024

HONORS & AWARDS

odezuluigbo foundation award– odezuluigbo foundation, 2014 skillupimo scholarship award– skillupimo/imdeeg, 2025

PROFESSIONAL INTERESTS

Web Development Software Engineering Cybersecurity Data Science Python Development Communication Networks
Information Technology Emerging Technologies

SOFT SKILLS

Problem Solving Critical Thinking Communication Teamwork Adaptability Continuous Learning Time Management
